WELCOME NOTE

Dear Colleagues,

We are delighted to invite you for the inaugural meeting of **'GI Interface 2025'**, set to be held on Sunday, November 2nd 2025, at Hotel Crowne Plaza, Rohini, New Delhi. This conference is themed "Bridging Knowledge Horizons" and is poised to become an event that brings together gastroenterologists and physicians.

The field of gastroenterology and hepatology is rapidly expanding and with several advances which benefit our patients greatly. 'GI INTERFACE 2025' aims to bring together leading experts, researchers, and practitioners to share their knowledge and discuss the latest advancements in this rapidly evolving field with practicing clinicians.

HIGHLIGHTS OF 'GI INTERFACE 2025' :

- A comprehensive program covering advances in liver disease, luminal gastroenterology, pancreas, and endoscopy
- Recent diagnostic modalities for GI diseases
- Case-based discussions on real world challenging situations
- Discussion of treatment algorithms for day to day practice

This inaugural conference will feature keynote addresses from renowned speakers, interactive panel discussion to provide a understanding of the current landscape and future directions in gastroenterology. We believe that your participation will significantly enrich this meeting and contribute to a vibrant exchange of ideas.

Join us as we embark on this exciting journey to connect and learn.

Save the date – 2nd November 2025

We look forward to welcoming you to **'GI INTERFACE 2025'!**
